

## HEESEMANN ORIGINAL PARTS

Now available at strongly improved conditions

PERSONAL SUPPORT, ATTRACTIVE CONDITIONS AND THE GOOD FEELING THAT SOMEONE CARES IF THERE IS A PROBLEM: SERVICE MAKES THE DIFFERENCE.

Heesemann original parts is the new service brand from Heesemann. We offer you all kinds of services, maintenance works, spare and wear parts, directly from Heesemann. In order to create the most attractive offer for you, we have contacted our suppliers and partners first. There is one goal for us: make it possible for our customers to receive original parts directly from Heesemann at greatly improved prices.

So you can order for example original sanding trims and plates from our long-term partner FlexTrim directly at Heesemann, at best conditions. And there are even many more other parts which we can offer now to a far better price than ever before.
